Nineteen members of the Waynesfield Guardpublish a card in last week's Express correcting slanderous report which has for some days been in dustriously eleculated by various parties. They state emphasically that it was the intention of the Guards to join Steedman's regiment, and they were only prevented by a misunderstanding between Mr. S. and themselves. They are still ready and willing to go if the country requires their services.

To our friends and relatives : DEAR FRIENDS :- We have learned with deep re gret that reports of our disaffection have been circu lated at home, and we take this method of informing you that there is no truth in them. We do not now you that there is no truth in them. We do not now wish to desert nor never have. We have all had opportunities of doing so, and could have left camp.

We have been passed out of camp by our officers, and strolled for hours through th city and again returned voluntarily to our duty.

It is true we have had some hardships to endure but we came for that purpose. We volunteered to serve our country in the hour of peril. We expect to bear and brave whatever of danger and hardships there may be in war, and do not expect to be berne there may be in war, and do not expect to be berne but we came for that purpose. We volunteered t there may be in war, and do not expect to be borne to victory on downy bods of ease, but we expect to force victory at the point of the bayonet, and we would rather endure the privations of a soldier's life or fall in the breach, than enjoy the deserter's inglorious ease. We hope, therefore, that you will at home (as we do here) indignantly spurn the slander. We entreat of you to cutertain of us the same honorable opinion which you expressed at our departure. We are the same now as then. We have given up all to serve our country, and we are determined by the help of God, to serve her faithfully and efficiently. We will cheerfully endure the cold, the heat and storms, and the enemy's most galling fire, but do not, Oh, do not send us to the field of conflict stung by the viper tongue of slander. We love our country and friends too much ever to desert the on or disgrace the other. But we all love the beauti ful flag which was presented to us by the fair ladies of Perrysburg—shall we desert that? No I never! The Gilead Worth Guards. eighteen hundred and sixty-one a war has ac tually begun. Our country calls her brave sons forth; then hurra each gallant son of the North.—And who this call so much regards as a company called the Gilead Worth Guards? Intelligent, active, brave, they are commanded by Captain G. C.

Care. On the 26th of April they left their friends this glorious Union to defend, to maintain the rights their fathers won, or nobly perish one by one. Then "forward march!" ye sons of might, you are strong enough to protect the right; and the disunionists may beware of the day when the "Worth Guards" shall meet them in battle array. Then on to the charge, to your country prove true, while so proudly floats over you the red, white and blue. Our prayers shall attend you wherever you go, and if you die, may you fall with your faces to the foe. Then be noble and brave, and may this coming year add a star to the name of each volunteer. Let the secession boys see that you're not in fun, that you're bound to come out bost in the war of 51. Then onward to your country's aid, her stars and strings do. ward to your country's aid, her stars and stripes de-fend, and on the God of Battles you safely can de-pend. May you walk in the path of virtue, may happiness and joy ever surround the pathway of the Wood county boys.

The Ottawa Volunteers Two companies of Volunteers from Ottawa pas ed through here on Monday. They were a fine and healthy looking set of fellows, and will undoubtedly

render a good account of themselves. Twenty-one Volunteers from this place left with the Ottawa soldiers for the purpose of joining the Fort Meigs Rifles. They went under the charge of Lieut. L. Blinn, who came home on Saturday even ing on a visit to his family, and to take back several of the boys who had left Camp Taylor without the Captain's consent.

VALUABLE MEDICINE.-We presume no medical preparation ever offered to the public has been more boroughly tested than PERRY DAVIS' PAIN theroughly tested than PERRY DAVIS PAIN KILLER. Thousands of persons, were they called on to do so, would cheerfully testify that they have used it for various ills, with the most satisfactory success. It is within our own knowledge, that an immense amount of suffering has been relieved by it. Its proprietors, Messrs. Perry Davis A Son, save no pains or expense in order to satisfy the public. Being strictly honorable men, they observe the attent of their the utmost uniformity in the manufacture of their celebrated Pain Killer. The materials of which it is composed are carefully selected none but the best quality keing used. By these means the high reputation which the Pain Killer has long since acquired is at all times triumpnantly sustained. In give of these feet, we are by no means surprised. view of these facts, we are by no means surprised to learn that Messrs. Davis & Son's sales are constantly and rapidly increasing. While we congratulate our friends generally that so valuable a preparation as the Pain Killer is placed within their reach, we must be permitted to rejoice at the well merited success of its liberal and enterprising proprietors.—Providence General Advertiser. DR. RICHARDSON'S SHERRY WINE BITTERS. The great success of this medicine has been an inducement for others to manufacture immunerable inducement for others to manufacture innumerable kinds of Bitters, with which the whole country has for many years been flooded. The number and variety that has been offered to the public, since the introduction of Dr. Richardson's Sherry Wine Bitters, may be counted by thousands; and not one of which can be named, that is now existing, that was introduced even twenty years later than the origin of this medicine. They suddenly appeared, with flaming amouncements of their remarkable virtues, but as quickly departed, and were seen no more. Sold by Peck & Hamilton, Perrysburg, 0, 52w4.

Mothers, rend this. The following is an extract from a letter written by the paster of a Baptist church to the "Journal

We see an advertisement in your columns of Mrs. Winslew's Soothing Syrup. Now we never said a word in favor of a patent medicine before in our life, but we feel compelled to say to our readers, that this is no humbug—we have trued it and supply.

How Does Peruvian Syrup Cure so many diseases apparently dissimilar?— Whenever the mind is taxed more than the body, the penalty is Dyspepsia, the most convenient name for a legion of complaints, beginning with impaired diges-tion, and generally ending in Consumption, and all originating in a deterioration of the blood.

Cincinnati, October 12, 1859.

I have derived so much personal benefit from the "Peruvian Syrup," that I do not hesitate to recommend its use to all that large class of cases, where iron is the efficient remedy. To clergymen especially, and persons whose occupations tax heavily the nervous energies, or to sufferers from the debilitating effects of summer heats, I believe this to be an invalnable remedial agent,
